Includes Change Nos. 1 and 2
Revised August 16, 2004

**PRODUCTS AND SERVICES FURNISHED BY QUALIFIED COMMUNITY
REHABILITATION PROGRAMS**

PEP list is continuous.

The Partners in Employment Program (PEP) is a partnership between State government and Community Rehabilitation Programs (CRP) to provide employment for persons with disabilities as authorized under Chapter 103D, Hawaii Revised Statutes, by contracting for goods and services with the State and Counties.

Goodwill Industries of Hawaii, Inc. is the PEP coordinator. It furnishes the State with a list of qualified community rehabilitation program providers and the type of goods and services each provider can furnish to interested State and County agencies. Although agencies are not required to purchase from these providers, they are encouraged to do so.

There is no requirement for submitting a request for approval to purchase outside this PEP list. However, agencies are reminded to comply, when applicable, with administrative or other requirements, e.g., tax clearances, etc.

The goods and services are listed by category in the PEP list. A detailed description of these goods and services and the contact phone numbers for each provider are attached. (Attachments 1-8)

Negotiations for the terms and conditions of the purchase, including the price, shall be on an individual basis between the participating State or County purchasing agency and the CRP. The agreed upon price of the good or service shall not exceed the fair market price.

State and county agencies may enter into a written agreement against which funds are encumbered or against which a purchase order is issued; or may issue a purchase order without an underlying agreement. When a purchase order is issued, include the following information on the purchase order:

1. SPO PEP List No. 02-45.
2. Reference to any signed agreement(s).
3. Delivery address.
4. Contact person and telephone number.

Your participating agencies may submit a vendor evaluation form to this office should the need arise. A copy of our form is attached to this PEP list. (Attachment 9)
